

# Wisconsin Center for the Blind & Visually Impaired 2022 Spring Expanded Core Curriculum Programming

## Book Club

Join us on Wednesday evening from March 30th- April 20th, 2022

from 6:00-7:00 PM to dive into the novel, "Want" by Cindy Pon. "Want" is a science fiction novel set in a near-future Taipei plagued by pollution, a group of teens risk everything to save their city. This novel is intended for students ages 14-17 and a Lexile level of 830. However the book club is open to anyone who is interested in the novel and has parent permission. Note, this novel makes mention of a romantic relationship.

Registration closes March 9, 2022 or when the program is full.
